

DPD-8244-60

8 November 1960

Subject: Contract No. SP-1917

Dear Hal:

It has been determined that the Material Inspection and Receiving Form, DD-250, no longer needs to be submitted to the Contracting Officer under Contract No. SP-1917.

The DD-250 signed by a Government representative which accompanies the billings under SP-1917 are sufficient for the Headquarters records.

Very truly yours,
